Court of Justice Architect-Engineer and Related Services Questionnaire

Purpose:

The Commonwealth of Kentucky Court of Justice encourages firms which provide architectural, engineering, and related services to annually submit a statement of qualifications and performance data to the AOC General Manager of Facilities, 100 Millcreek Park, Frankfort, KY 40601.

Policy:

The policy of the Commonwealth of Kentucky Court of Justice in acquiring architectural, engineering and related professional services is to encourage firms lawfully engaged in the practice of those professions to submit annually a statement of qualifications and performance data. The Court of Justice Architect-Engineer and Related Services Questionnaire (A-E Questionnaire) is provided for that purpose. The Court of Justice shall evaluate these qualifications resumes, together with any other performance data on file or requested in relation to any proposed project. The A-E Questionnaire may be used as a basis for selecting firms for discussion, or for screening firms preliminary to inviting submission of additional information or inviting proposals on projects.

Definition of Architect-Engineer and Related Services:

Architect-Engineer and related services are those professional services with research, development, management, inspection, design and construction, rehabilitation, alteration, or repair of real property, as well as incidental services that members of these professions and those in their employ may logically or justifiably perform, including studies, evaluations, surveys, consultations, programming, designs, plans, specifications, cost estimates, project management, inspections, shop drawing reviews, recommendations, preparation of operating and maintenance manuals, and other related services.

Instructions for Filing:

(Numbers below correspond to numbers contained in form)

Note: The entries on this form may be typed or printed.

1. Firm Name

(a) Enter accurate and complete name of submitting firm, its address and zip code.
